

YOUTH BUREAU -2010 BUDGET PRESENTATION

Date: November 18, 2009.

To

The Honorable Members
Westchester County Board of Legislators

From

Marlene E. Furtick, Executive Director
Youth Bureau

Mission

The mission of the Youth Bureau is to promote positive youth development. This is based upon the belief that families and extended families are the fundamental sources of care, support and guidance for children and youth. Schools and other community-based services, both formal and informal, are appropriate and effective complements to this foundation. The Youth Bureau seeks to nurture and strengthen the capacity of these basic institutions to foster positive youth development for Westchester's young people.

Youth Bureau's 2009 Accomplishments

NEW

1. Defined Performance Measures within all funded programs and provided training on web based data reporting.
2. Participation in local initiatives in Mount Vernon, Peekskill and Yonkers. Supported their planning efforts to reduce youth violence.
3. As chair of the Reducing Youth Violence Committee, the Youth Bureau supported local Town Meetings and other local planning efforts throughout the County. Collaborated with the faith based community in Mount Vernon to hold a public awareness town hall meeting on violence, youth and the bringing the community together.
4. Westchester Scholars participated in summer youth employment at several not for profit agencies to gain insight into possible future careers.

Youth Bureau 2009 Initiatives

NEW

1. Monitoring of programs that were awarded funding for the 2009-2011 funding cycle emphasizing Gang Prevention, Reducing Childhood Obesity, Advocacy Issues, Job Readiness Training, Teenage Pregnancy Prevention, Reducing Chronic Absenteeism in Early Childhood (Yonkers and Mount Vernon), Teen Dating Violence and Performance Arts.
2. Participate on Judge Davidson's task force on Disproportionate Minority Reporting/ Contact (DMR/C). As national studies indicate, we are looking at juvenile systems where minority youth are represented at a higher rate than the general population in the foster care, child protective services, criminal justice system, mental health, health disparities, etc.
3. Successfully averted the closing of a Tarrytown and Sleepy Hollow summer camp program. In June 2009, the Northern Westchester Boys and Girls Club closed their Tarrytown center. This left more than 100 families without a summer camp for their children. The WCYB leveraged NYS OCFS funds so that the Village of Tarrytown was able to increase their enrollment. Without the WCYB's funds and technical assistance, parents were fearful of losing their jobs or fearful of leaving their children unattended.
4. Launched a successful Parent Skills Workshop entitled "No Parent Left Behind". This workshop was designed for parents who came before Family Court in Westchester County regarding educational issues. Parents left with resources on how to advocate for their child and navigate the school systems.

Ongoing Initiatives

- Maintained the Power of Peace program with ongoing aid. Power of Peace is a highly successful conflict resolution program that has been conducted in the following high schools: Mount Vernon, New Rochelle, Ossining, Port Chester, and White Plains.
- The Youth Bureau and the Westchester County Public Library System have joined forces in helping Westchester Scholars to maintain and enhance their reading, writing, and comprehension skills by working with a known best-selling author and providing youth employment opportunities at local libraries and camps. This activity has resulted in summer jobs for Westchester Scholars students for the past four years.
- The County Youth Bureau is the lead agency for implementing the New York State best practice model of AYD (Advancing Youth Development). This "Train the

Trainer” model has recruited, trained and supported youth workers in our County with hands on technique for front line workers. To date, more than 180 service providers have been trained: social workers, police officers, school personnel, child care providers, etc. An additional four participants have signed on to become facilitators.

- The County Youth Bureau has partnered with the Office for Women, Westchester Jewish Community Services - Center Lane program and My Sister’s Place with sponsorships of conferences, summits, and workshops to bring about public awareness concerning immigration issues, teen dating violence, domestic violence and gay, lesbian and transgender concerns.
- By providing training and networking opportunities for all youth serving agencies in Westchester County, the Youth Bureau helps to enlighten agencies about best practice models of youth development and promote opportunities for collaboration in securing funding outside of the County funding streams.
- By implementing a countywide integrated plan, the Westchester County Youth Bureau was able to reduce the duplication of services across systems and County agencies, as well as large foundations that serve youth in Westchester County. By promoting and participating in the ICP (Integrated County Plan) process, local municipalities have been able to be more competitive in seeking federal and private grants reducing the dependence on County government and expanding services.
- Since 2001, the County Youth Bureau has provided technical assistance through Student Assistance Services to 13 municipalities that follow the Communities That Care (CTC) model. Over the past eight years, these CTC coalitions have secured funding in excess of \$20 million from the federal Drug Free Communities program.
- WCYB provided technical assistance to El Centro to ensure outreach to Latino youth.
- The Youth Bureau facilitated successful connections of various not-for-profits with the Frog Rock Foundation and the Patricia Lanza Foundation. (Private funders)
- Through our relationship with Mrs. Lanza, the Patricia Lanza Foundation has funded \$200,000 for 10 students to receive \$5,000 each for four years of college in 2009. The 2010 scholars received \$1,000 in October 2009 for their recognition of community service. They too will be the recipient of \$5,000 each for four years of college beginning fall 2010.
- Updating website on a weekly basis to inform public and funded agencies about youth development programs, jobs and grant opportunities. The WCYB receives more than 4,000 hits per month on their website.

2010 Proposed Budget

The Youth Bureau's 2010 Proposed Budget is \$806,668 which is \$106,463 less than the 2009 Adopted Budget. The 2010 Budget proposes a tax levy of \$155,113 which is \$58,246 more from the 2009 Adopted Budget. The proposed increase in tax levy is mainly due to decrease in inter-departmental revenue and decrease in State Revenue from 2009.

The following outlines those budgetary accounts impacting the Bureau's tax levy.

Expenditures

Annual Regular Salary (1010)

The 2010 Proposed Budget for Regular salaries is \$69,571 less than the 2009 adopted budget mainly due to the abolishment of one position and the furlough adjustment.

Books and Periodicals (3070)

The 2010 Proposed Budget has no provision for Books and Periodicals which results a savings of \$385 from 2009 Adopted Budget.

Printing and Office Supplies (3600)

The 2010 Proposed Budget for Printing and Office Supplies is \$6,700, which is less than \$450 from 2009 Budget.

Postage Costs (3700)

The 2010 Proposed Budget for Postage is \$934 less than the 2009 Adopted Budget.

Membership Fee (4100)

The 2010 Proposed Budget is \$2,155 which is \$30 more than the 2009 Adopted Budget due to an increase in Empire State Coalition Fee increase.

Travel and Meals (4110)

The 2010 Proposed Budget for Travel and Meals is \$4,050 which is \$1,900 less than the 2009 Adopted Budget.

Youth Runaway Program (4436)

The 2010 Proposed Budget is \$38,745 which is \$7,713 less than the 2009 Adopted Budget due to the decreased funding from the State resulting lower tax levy dollars as required match.

Youth Service Project (5430)

The 2010 Proposed Budget for Youth Services Project is \$21,500 which is \$3,000 less than the 2009 Adopted Budget as the Youth Bureau is scaling back on the Annual Gang Summit and other co-sponsored conferences.

Fleet Management (5160)

The 2010 Proposed Budget for Fleet Management is \$175, as estimated by the DPW Dept, which is \$94 less than the 2009 Adopted Budget.

Revenues

Inter Departmental Billings (9508)

Youth Bureau's Inter-Departmental Revenue for 2010 is expected to be at \$531,937 which is \$162,062 less than the 2009 Adopted budget. All of the Youth Bureau expenses that are not reimbursed by the State and the required local tax levy match towards the State reimbursement are expected to be reimbursed by the Dept of Social Services using different funding sources of the State. Therefore, any increase or decrease in Youth Bureau's Operating Budget won't affect the net tax levy amount.

Revenue from State (9734)

Youth Bureau's 2010 Revenue from the State is expected to be at \$119,618 which is \$2,647 less than 2009 Adopted Budget.
