

COMMITTEE ON BUDGET & APPROPRIATIONS  
CONCERNING THE 2010 COUNTY BUDGET (Additions)  
December 7, 2009

Board of Legislators  
County of Westchester  
800 Michaelian Office Building  
White Plains, New York 10601

Honorable Colleagues:

On October 15, 2009, County Executive Andrew J. Spano forwarded his proposed 2010 County Capital Budget which the Budget & Appropriations Committee of this Honorable Board immediately began analyzing and discussing. On November 16, 2009, the County Executive forwarded his proposed 2010 County Operating and Special Districts Budget. Having had time to essentially accomplish much of its work on the proposed Capital Budget, your Committee on Budget & Appropriations was able to concentrate on the proposed 2010 Operating and Special Districts Budget upon its arrival.

Pursuant to Section 167.81 of the Laws of Westchester County as amended by Local Law 8-1994, your Committee on Budget & Appropriations, within a specified time period, has the authority to file with the Board a memorandum of any proposed additions to the Proposed Budget.

In keeping with Board policy, your Committee on Budget & Appropriations notes that any additions contained in this Memorandum, as well as any other item, may still subsequently be reduced or entirely deleted from the Proposed 2010 County Operating, Capital, and Special Districts Budget prior to their adoption.

As is its practice during the process of considering additions, your Committee on Budget & Appropriations has called on various County departments and agencies to testify.

It has also relied on the expertise of its auditors and has taken into account the views of all Legislators, the Citizens Budget Advisory Committee, numerous groups and organizations, individual citizens, and has held two of three Public Hearings. All of these perspectives have been factored into this Memorandum, ensuring that in keeping with this Honorable Board's policy of open door democracy, it is the product of government decision-making truly shared by all those affected

Through its issuance of this Memorandum, your Committee on Budget & Appropriations hereby complies with the Westchester County Charter. While obviously it believes the actions contained within this Memorandum are prudent, that evaluation must ultimately be made by this Honorable Board. Likewise, the County tax rate can only be changed by a majority of this Honorable Board when it passes a budget and/or acts on a County Executive's veto (or vetoes) on specific, Charter-allowed items.

With these understandings, your Committee on Budget & Appropriations hereby recommends the following additions to this Honorable Board for its full deliberation and ultimate decision (see attached schedule):
