

HONORABLE BOARD OF LEGISLATORS
COUNTY OF WESTCHESTER

Your Committee is requesting adoption of "AN ACT for the purposes of establishing a standard work day for each elective or appointive office or position."

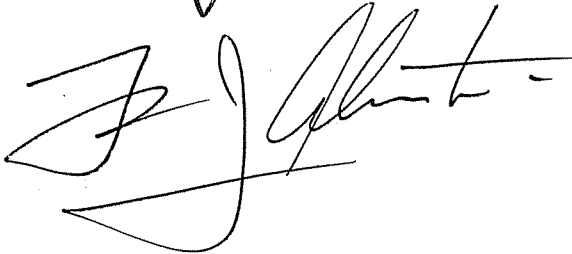

Your Committee is informed that since 1976, elected and appointed officials have been required to record and submit a record of work-related activities to their employers. To help ensure that elected and appointed officials receive appropriate service credit from the New York State Retirement System, a new reporting process has been created, which requires, among other things, the adoption of this proposed Act. Said Act establishes the standard work days for all elected and appointed officials who serve a term of office.

According to the new regulations promulgated by the State, this legislation must be adopted at the first regular meeting held after the first 180 days of taking office which, in this case, is at the July 12th meeting of the County Board of Legislators. Once adopted, the Clerk of the County Board of Legislators must ensure that this Act is posted for at least thirty (30) days on the County's website. After such posting, the County Board of Legislators hereby authorizes the Commissioner of Human Resources or other appropriate County official to amend the chart solely for the limited purpose of providing the correct New York State Retirement Registration Number and the last four digits of the Social Security Numbers for all of the elected and appointed officials specifically listed in the chart contained in the Act. Thereafter, an affidavit of posting and a certified copy of the legislation must be filed with the Office of the State Comptroller within forty-five (45) days of adoption.

In accordance with the provisions of the Laws of Westchester County §107.61(2), a vote of not less than a majority of the voting strength of the County Board of Legislators is required to pass this Act.

In light of the aforementioned, this Committee, after careful consideration,
recommends adoption of this Act.

Dated: **JULY 6**, 2010
White Plains, New York
