The Committee agreed to establish a sub-committee to review the Medical Center Agreement. This sub-committee will be chaired by Legislator Myers. Legislator Myers stated that she will speak with the Chairman of the Board to gather additional information about the agreement, including whether or not consultants will be used to evaluate the agreement.

Bob Boland, Director of Fiscal Affairs for the Board of Legislators stated that he has recommended to the Chairman that the Board hire outside counsel to review this agreement because it is so large and detailed and it is a time sensitive issue.

Legislator Pinto suggested that we ask Mike Israel for a quarterly report on the Medical Center.
