Re: **SEQR REVIEW FOR MARCH 17, 2011 A&C AGENDA**

---

In connection with the State Environmental Quality Review Act (SEQR), the Department of Planning has reviewed the resolutions on the March 17, 2011 agenda of the Board of Acquisition and Contract (A&C).

The Department advises that all of the proposed actions are either: previously reviewed under SEQR, Type II actions under SEQR, or not defined as "actions" under SEQR. As such, no further environmental review is required by the Board of A&C at this time.
