

The Committee on Government Operations will meet on Tuesday, February 3, at 1:00pm.

The agenda item for approval is the Five-Year Consolidated Plan for federal grants, including the Community Development Block Grant for the consortium of Westchester municipalities. (The large cities, Yonkers, Mount Vernon, New Rochelle and White Plains, have their own CDBGs and are not included in the consortium). A presentation on the project selection process and the results will be made by the Planning Department.
