

ACT 190 - 2020

HONORABLE BOARD OF LEGISLATORS
COUNTY OF WESTCHESTER

Your Committee requests the adoption of "AN ACT for the purpose of establishing a standard work day for each elective or appointive office or position."

To help ensure that elected and appointed officials receive appropriate service credit from the New York State Retirement System, legislation establishing the standard work days for all elected and appointed officials who serve a term of office must be adopted.

Once adopted, the Clerk of the County Board of Legislators must ensure that this Act is posted for at least thirty (30) days on the County's website, and thereafter, to transmit a certified copy of this Act and affidavit of posting to be filed with the Office of the State Comptroller within fifteen (15) days after the 30 public posting period ends. Certified copies of this Act must also be transmitted to the Westchester County Commissioners of Human Resources and Finance, respectively.

Because the proposed Act will not change "the use, appearance or condition of any natural resource of structure" or otherwise affect the environment with respect to the State Environmental Quality Review Act, this would not constitute an action as define in section 617.2(b) of 6 N.Y.C.R.R. Part 617. As such, your Committee believes that no further environmental review is required.

In accordance with the provisions of the Laws of Westchester County §1017.6(2), a vote of not less than a majority of the voting strength of the County Board of Legislators is required to pass this Act.

In light of the aforementioned, this Committee, after careful consideration, recommends adoption of this Act.
